Q69: When it comes to the issue of immigration which statement do you agree with more:

	Arizona	Latino	White	Men	Women	18-29yrs	30-39yrs	40-59yrs	60+yrs
We should prioritize border security first and focus on immigration reform much later when we have fully solved the crisis of migrants at the U.S-Mexico border, even if that means leaving millions of undocumented immigrants at risk of deportation.	44	32	47	50	38	54	47	39	40
The immigration system is fully broken—we need to work on both border security and reform for undocumented immigrants who have been in the US for many years who can pass a background check to earn a pathway to citizenship.	56	68	53	50	62	46	53	61	60
