# Dianna Gallardo

---

Hardworking student interested in collaborating with the Latino community improving the community's material conditions. Have been employed in retail for the past 3 hours but wish to start doing work that is more geared towards the Latino community and the different issues that affect them. Eager to work for institutions or organizations that do that kind of work and in learning more about the Latino community, whether directly or indirectly.

## EXPERIENCE

### **Target** – *Guest Advocate/Specialty Merchandising*

November 2020 – PRESENT

- Assisted customers with any and all transactions
- Assisted in helping to meet quarterly sales goals
- Answered questions about store products as well as questions about store policy
- Organized sections of the sales floor to help increase sales of certain products
- Trained other team members
- Collaborated with other team members to meet common goals

## SKILLS

- Fluent in Spanish
- Able to code data in R and in using Powerpoint to clearly showcase the data coded in a way that is easy to comprehend
- Can also input Data in excel

## Relevant Coursework

- Worked on a project Freshman year about addressing the impact of sexual assault on the ASU Tempe campus and solutions to address the rising issue
